SOVIETS ARE REPORTED TO BE REPLACING TANKS WITH INFANTRYMEN IN HUNGARY

Vienna, Austria (AP)—The Soviets were reported today to be replacing their tank troops in Hungary with fresh infantry divisions. But defiant workers continued their general strike, and unyielding rebel partisan bands took to the forests.

Sources in Budapest told Austrian papers the Russians are sending in 20 infantry divisions to replace the hated Red panzers that crushed the anti-Communist revolt.

When the Russian tanks and bombers began their campaign two weeks ago to crash the lightly armed rebels, Soviet strength in Hungary was estimated at 11 armored and 2 infantry divisions.

The Russians apparently hope to achieve a double purpose in the shift to infantry. They will save on scarce fuel needed by the armored units and remove the main symbol of Soviet might that smashed Hungary's bid for freedom.

Moscow Signs A Declaration With Warsaw

Moscow (AP)—The Communist leaders of the Soviet Union and Poland have signed a declaration of "indestructible union and fraternal friendship" but have agreed their future relations will be on a basis of "complete equality."

Winding up four days of talks, the two regimes agreed Russian troops must remain in Poland. But the Poles were given veto power over Russian troop movements in their country, as well as promises of help in meeting Poland's economic crisis.

Results of the talks were summed up in a communique issued before the departure for Warsaw last night of Polish Communist party chief Wladyslaw Gomulka, Premier Josef Cyrankiewicz and their delegation of officials and experts.

The agreement was signed by Gomulka and Cyrankiewicz, and Premier Bulganin and Soviet Communist party chief Nikita Khrushchev.

Gomulka, who had led the move for Polish freedom from Moscow's domination, said at a reception after the signing:

"We came here with fears that the leaders of the Soviet Union would not evaluate fully and correctly the changes which are taking place in our country.

"We can say with joy that our fears were not confirmed by the position the Soviet government took on the questions we brought them."

The Polish Communist party in a statement hailed the agreement as a "great success for Poland." Observers in Warsaw said it appeared Gomulka had gotten all he asked for.

A communique summing up the talks said the two regimes "expressed confidence that the indestructible union and fraternal friendship between the U.S.S.R. and Poland will widen and consolidate, developing on the basis of complete equality and respect for territorial integrity, national independence and sovereignty, and of noninterference in internal affairs."

Down Town Parade to Follow Santa's Arrival on Wednesday

Following Santa Claus's arrival in Warren this Wednesday afternoon by helicopter a parade will start at War Memorial Field and proceed through town as the overhead street decorations are turned on for the holiday season.

Weather permitting, Santa will pilot his own helicopter to Warren and land it at 4 p. m. sharp on Memorial Field. He will be welcomed by Neil Culbertson, Chamber of Commerce President and Jake Levinson, Chairman of the Retailers Committee and will then ride in the parade through the community.

The Warren High School band directed by Harry Summers will lead the procession on the following route: Cedar Street to Pennsylvania Avenue; west on Pennsylvania Avenue to Poplar Street; Poplar Street to Third Avenue; East on Third Avenue to Liberty Street; south on Liberty to Second Street; west on Second to Pennsylvania Avenue; Pennsylvania Avenue to Hickory where the parade will disband at the large

40-Pound Turkey For Ike's Thanksgiving

Washington (AP)—President Eisenhower was introduced today to his Thanksgiving turkey—a live fellow of 40 pounds. Eisenhower stroked the bird a bit gingerly and commented with a grin:

"Gosh, he's a big one. Thank you a lot."

The presentation was made in the White House rose garden. The turkey was grown especially for the President and presented by J. Arza Adams of Pleasant Grove, Utah, president of the National Turkey Federation.

Representatives of the Poultry and Egg National Board also were on hand, along with Secretary of Agriculture and Mrs. Benson.

Refugees Will Start Arriving In U.S. Tuesday

Washington (AP)—The White House announced today the first plane load of Hungarian refugees, leaving Vienna today, will arrive at McGuire Air Force Base in New Jersey shortly before 1 p. m. EST tomorrow.

James C. Hagerty, presidential press secretary, said word had come from Vienna that some 70 people will be on this first plane.

The aircraft has been chartered from the Flying Tiger Line by the Intergovernmental Committee for European Migration, Hagerty said. This international committee, he said, is bearing the expense of transporting the 5,000 Hungarians whom President Eisenhower has offered refuge in the United States. The United States and other countries contribute to the committee.

Other plane loads of Hungarians will arrive as fast as the planes can be ferried across the Atlantic, Hagerty said. He said he understood there will be two or three more Wednesday and several others Thursday.

All except one will land at McGuire field, which is near the reception center at Camp Kilmer, N. J. One plane Hagerty said, will fly to Milwaukee some time this week.

Second Diatribe Is Delivered By Red Boss Khrushchev

By HAROLD K. MILKS
Moscow, (AP)—Red-faced and gesticulating, Nikita S. Khrushchev told the West last night: "We will bury you."

For the second consecutive night, the Soviet Communist party boss delivered an anti-Western tirade so bitter that diplomats from Atlantic Alliance nations and Israel left the room. Khrushchev's main themes at a Polish Embassy reception were Egypt and Hungary.

Library Is Sponsoring Kiddies' Writing Contest

Persons who have been attending Writers' Workshop meetings are invited to a special session in the Story Hour Room at Warren Public Library at 7:00 p. m. Tuesday, when members will read and evaluate a group of stories written by children of the elementary grades for a library-sponsored writing contest. Local point for these stories on which the children have been working for nearly a week is a group of pictures of raccoons taken by Don Neal, of North Warren.

Grade school room teachers have screened stories and will submit three from each room for the second stage of screening to be done by the Writers' Workshop Tuesday evening.

Final judges for the contest will be Mrs. A. C. Flick, Jr., Mrs. Margaret H. Lewis and Mrs. David Potter. Winning entries will be on display with the pictures in the Public Library during Book Week, November 26 through December 1.

Resignation Of Ambassador To Italy Accepted

Washington (AP)—Mrs. Clare Boothe Luce resigned today as ambassador to Italy. President Eisenhower accepted the resignation with an expression of "great personal regret" and congratulations for "a job superbly done."

The White House announced the resignation after Mrs. Luce had conferred with the President for an hour.

There had been reports for some time that Mrs. Luce intended to resign, and that James D. Zellerbach, 64-year-old San Francisco industrialist, was under consideration as her successor. Zellerbach was foreign aid director in Italy from 1948 to 1950.

The effective date of the resignation was left up in the air. But Mrs. Luce told reporters she plans to return to Italy and to leave her post after the Christmas holidays. She said she supposed the resignation would be effective "when a new ambassador is appointed."

Mrs. Luce, 53, has been ambassador to Italy since early 1953. In her letter of resignation, which the White House made public, she mentioned her recent poor health and said she would require several months of real rest. She asked that her resignation be accepted "at the earliest convenient moment."

Mrs. Luce told reporters, however, that while she will "always be available" for any service requested of her, she has no plans at all along that line.

She said there was no mention in her conference with the President of the possibility of her becoming ambassador to India.

Parents and Three Of Five Children Perish In Blaze

Lockport, N. Y., (AP)—A farm couple and three of their five children perished today in a roaring fire that leveled their frame house.

Dead were Linus Ball, 42; his wife Hilda, 36; and three of their children, Dennis, 8; Frank, 4; and Arthur, 9 months. The bodies were recovered.

Two daughters, Elaine, 15, and Karen, 6, jumped from upper windows. Elaine suffered a cut arm. Karen, apparently uninjured, was taken to the home of friends.

Karen told police that she had been awakened by their father calling up the stairs. She said her parents and two of her brothers, Frank and Arthur, were sleeping downstairs.

A neighbor, Ben Licata, told police that Elaine woke him up and said "The house is on fire. Mommy and daddy are trapped inside."

He said he ran to the house and broke open a window but the smoke drove him back. He called firemen.

Lockport is near Niagara Falls.

Conferences Over Dock Strike Are Resumed In Gotham

New York (AP)—Union and management negotiators return to the conference table today in an effort to end the four-day-old longshoremen's strike that has tied up major ports from Maine to Texas.

Contract talks between the International Longshoremen's Assn. and the New York Shipping Assn. broke up Saturday after a bitter meeting.

About 60,000 dock workers walked off the job on the East and Gulf coasts when their twice-extended contract ran out at midnight Thursday. More than 150 ships were idled.

Meanwhile, longshoremen on the West Coast planned to stop work today for a 24-hour period. The walkout was scheduled by Harry Bridges' International Longshoremen's and Warehousemen's Union (ILWU).

The ILWU called the work stoppage ostensibly to consider its own contract talks with the Pacific Maritime Assn. ILWU spokesmen did not deny, however, that the East and Gulf coast strike figured in their plans.

Youngsville Man Who Lost Arms in Accident Optimistic But Can Use Financial Help

—Kofod Studio

His outlook is more than healthy. Edward Stokes, who lost both arms in a tragic mishap October 28th, seeks sympathy from no one.

Ed was discharged from Warren General Hospital less than two weeks after his accident and today is looking to nobody for help. But he could use a little.

Mr. Stokes, a former crane operator at National Forge, has been unemployed, of course, since a timber saw chewed off both his arms three weeks ago. The Times-Mirror and several others have foreseen an eventual need for aid.

Times Publishing Company is kicking off a campaign to give Ed and wife, Mabel, a deserving hand. A \$100 check and all good wishes have already been added to the Stokes family from the Times-Mirror. Other assistance is also forthcoming.

Cole Furniture Store has sent along a \$25 check, an anonymous \$2 in cash is here for the Stokes and another person, whose anonymity should be respected, has sent \$50. This, it is a T-M hope, is only a start.

Ed, whose last wish is sympathy, can use any contribution. His physical being has been under a handicap since 1942 when a hunting accident lost him the use of his right foot. An accidental bullet in the right hip severed a main nerve and Mr. Stokes lost any use of his right foot. The draft board exempted him. At that time Ed had been married nine months.

Today the armless victim of a chance million-to-one mishap which cost him the use of both arms is almost unbelievably optimistic. Ed Stokes, with a Stoic's mindfulness, has resigned himself to the loss of two hands and arms and can yet see a hopeful future.

Naturally, Ed can not yet see where the road to the future will lead him and is awaiting a set of twin mechanical arms to predict his path into 1957 and thereafter. His confidence is heartwarming.

Mr. and Mrs. Stokes have borne the cross bravely. The childless couple has sought nothing, but deserve everything. Those who know have dwelled attendance upon them while Mrs. Stokes waited a painful vigil to see if her husband would pull through after the accident.

Ed was born at Russell in 1917, the son of William and Louise Stokes. A sister, Anna Mae, still lives with the father in Falconer, N. Y. Another sister, Mary Wilcox, lives in Pleasant Township.

Ed lives in Youngsville on Mill street. When in the hospital, over half the mail for his floor funneled into the Stokes' room, bearing good tidings to a man who is respected by neighbors and friends.

One former schoolmate, Kenneth Fox, flew up to Warren from Orlando, Florida to see Ed. His helpful attendance is just part of the surge of friendliness which will help rehabilitate.

Thank you all, very much.

WILL MAKE ARRANGEMENTS TO HELP IN REOPENING OF THE BLOCKED SUEZ CANAL

BULLETIN

United Nations, N. Y. (AP)—Soviet Foreign Minister Dmitri Shepilov warned today that any move to send a U. N. police force to Hungary will "endanger" peace. Shepilov, in a 6,000-word speech on the Hungarian problem, blamed the non-Communist world, especially the United States, for the Hungarian uprising. He said the situation was rapidly returning to normal and insisted the U. N. should keep out. The Soviet foreign minister addressed the 79-nation General Assembly after Hungarian Foreign Minister Imre Horvath had blasted the United States for allegedly inspiring the rebellion. Both Shepilov and Horvath denied that any deportations were being carried out by the Russians.

United Nations, N. Y. (AP)—Secretary General Dag Hammarskjold arrived back in New York today to tell the U. N. General Assembly the results of his talks with Egyptian officials on guarding the cease-fire in the Middle East.

He planned to launch arrangements for U. N. help in reopening the blocked Suez Canal—a gigantic salvage job expected to take at least six months.

Before leaving Cairo, Hammarskjold said the Egyptian government had asked for assistance to clear the waterway and he had agreed in principle. He declined to discuss other matters taken up with Egypt's President Nasser before making his report to the Assembly.

Nasser's chief political aide, Wing Cmdr. Ali Sabry, said in an interview Egypt would clear the canal with U. N. help. The Egyptians have already protested British clearance operations under way at the north end of the canal as a violation of Egyptian sovereignty and of the cease-fire.

Hammarskjold talked with Nasser and other Egyptian leaders for three days about the duties of the new U. N. police force, which now has more than 500 men standing by at a base in the canal zone, and other details of the cease-fire. The General Assembly ordered 11 days ago between the Egyptians and British, French and Israeli troops.

There was no indication the Egyptians had modified their demand for speedy withdrawal of all foreign troops and stationing of the U. N. forces only at points on the old 1948 armistice line between Egypt and Israel. Sabry said Egypt expects the withdrawal to begin during the coming week if possible, without waiting for the U. N. troops to take over.

French Foreign Minister Christian Pineau indicated he thought the Egyptian appeal for U. N. assistance meant the U. N. troops would be stationed in the canal zone, despite persistent Egyptian denials. In New York with France's U. N. delegation, Pineau said on a television program:

"The United Nations would not be able to clear the canal unless they had their forces on the canal."

Rationing of petroleum products has already begun or is on the way in many countries. Highways in Britain, Switzerland, Sweden and Denmark were practically deserted this weekend as motorists stayed home either voluntarily or by government order. Other countries faced shortages in the near future.

BOX CAR IN BEDROOM

Houston, Tex., (AP)—A switching freight train backed a box car into the bedroom of a home about dawn yesterday, killing a family of three. They were William Davis Harris, 31; his wife Johnny Mae, 21, an expectant mother; and their year-old daughter Jacqueline Vanita. The box car, on the end of a 21-car Southern Pacific train, smashed through a steel safety bumper into the house where the two slept.

Gibson and Berger Mentioned For Top Posts at Harrisburg

Harrisburg (AP)—Prospects of a battle for Republican leadership of the House and Senate grew today with a number of possible candidates for top posts mentioned.

Rumors of a possible change in GOP leadership followed the Nov. 6 election in which Republicans won a commanding majority in the House and retained their slim margin of control in the Senate.

Some reports in the political speculation indicated that Sen. M. Harvey Taylor, 80, of Dauphin County, may be asked to vacate the post of president pro tempore he has held for six two-year terms.

Rep. Allen M. Gibson, of Warren County, was mentioned in speculation as a possible compromise candidate for speaker of the House in the event of a deadlock among ranking contenders. He co-sponsored the Republican-endorsed state 3 per cent sales tax.

Leading the race for the speakership, apparently, is Rep. Albert

Dulles Charges Russia Guilty Of Arrogance

Washington (AP)—Secretary of State Dulles said yesterday Soviet Russia has been guilty of "arrogance and . . . violations of basic principle" in attacking Hungary and interfering in the Middle East.

He said Kremlin rulers "engaged in war on Hungary, with promiscuous slaughter" and "that in the Middle East they have tried to substitute themselves for the United Nations, instead of acting as a cooperative member."

Dulles read a statement on the steps of Walter Reed Army Hospital, where on Nov. 3 he underwent surgery for removal of a section of intestine later determined to have been cancerous.

The secretary shortly thereafter flew to Key West, Fla., for several weeks of recuperation. He plans to return to his desk Dec. 3. On his arrival at Key West with Mrs. Dulles, he commented, "That sunshine sure feels good."

As for his own condition, he said before leaving here that his doctors say "that I am making an excellent recovery—and I certainly feel that way."

He said U. N. efforts toward achieving a stable peace in the Middle East are "on the right track."

GREETING FROM POPE

Vatican City (AP)—Pope Pius XII yesterday gave a special greeting in English to 308 tourists from Pennsylvania who attended a large Sunday audience in St. Peter's Basilica. The group came here yesterday on a tour sponsored by the Valley News, Trenton, Pa., in association with the Sharon Herald, Sharon, Pa., and the Times-Chronicle, Jenkintown, Pa. They had special reserved seats in the Basilica.

W. Johnson, of McKean County, who served in the last session as assistant floor leader and in the 1953-54 session as floor leader.

Others mentioned for the speakership include Rep. Norman Wood Lancaster, oldest house member in point of service, and Rep. W. Stuart Helm, of Armstrong County, another veteran.

Gibson's name was brought into the speculation on grounds Johnson would be needed as floor leader because of his experience. Gibson has been a member of the House since 1945.

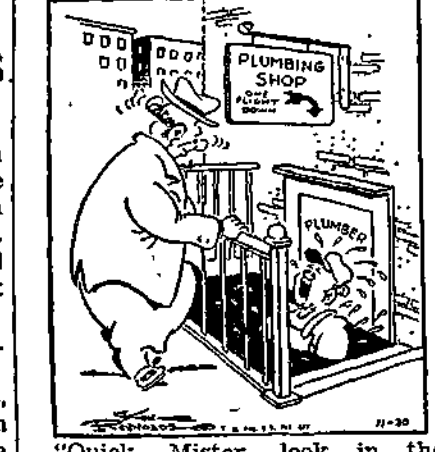

Sen. James S. Berger, '53, of Potter County, was mentioned as a possible successor to Taylor.

In the past Taylor has been affiliated with U. S. Sen. James H. Duff, who was defeated. Berger has been loosely identified with the so-called Grundy wing of the state GOP with which Duff was at odds.

Taylor has withheld comment. Berger said the final decision is up to the Republican senators.

P.L.C.B. Employees Of Three Counties Hold Meeting Here

Reports of the recent state convention of the Independent Association of PLCB Employees at York, and election of officers for 1957 constituted the principal business to come before the regular meeting of the McKean-Warren-Potter Counties chapter of the organization, held at the downtown Marconi Club here yesterday.

A lengthy report of proceedings and objectives of the state store association were brought to the membership by A. J. "Moon" Scalise and L. N. Schuler, chapter delegates.

Included in the report was the Association's stand on the integration of social security with the State Employee's Retirement System, with the Association disapproving the proposed offer of the Commonwealth to reduce the retirement payments by 40% in order to combine social security into the system. State Store employees insist that both systems in entirety are possible and are the objective of the group.

Arrangements are being made for a mass meeting of all state employees in western Pennsylvania before workers vote on the question of the proposed integration of the two systems.

Officers elected to serve the local three-county chapter for the coming year include L. N. Schuler, Warren, president; Stanley L. Lawson, Youngsville, vice president; David McLafferty, Port Allegany, secretary; and A. J. Scalise, Warren, treasurer.

The next meeting of the Chapter will be held in Bradford on Sunday, January 20.

A Cappella Choir To Be Featured In Assembly Program

Warren High School A Cappella Choir will be featured again this year in the annual Thanksgiving Chapel program on Wednesday morning.

Details of the event have been prepared by the school news-writing class as follows:

The program will open with a piano prelude by Carolyn Anderson, who will then accompany the hymn, "We Gather Together." Psalm 98:1-9 has been chosen as the assembly reading to be led by Robert Saunders. The responsive reading will be led by William Osterman.

The Doxology, played by Marilyn Haer, will be followed by David Greenlund's solo, "Thanks Be to Thee" by Handel-Luvas.

The First Thanksgiving Proclamation will be read by Barbara Morrison. The anthem, "Praise the Lord by Haydn," will precede "Praise We Sing to Thee" by Haydn-Luvas, with Marilyn Haer as accompanist and William Cornwall conducting.

The choir will then sing "Sing and Rejoice" by James. It will be followed by the 1956 Proclamation to be read by Victor Hendrickson. Judy Hammerbeck will then accompany the hymn, "For the Beauty of the Earth."

The union closing prayer will be read by Melissa Gearhart and followed by the Choral Benediction "The Lord Bless You and Keep You" by Lutkin, conducted by William Cornwall. Judy Hammerbeck will close the program with the piano postlude.

Large Attendance Marks Meeting of Farmers' Directors

The board of directors of the newly organized Warren County Farmers' Association held their first monthly meeting at Lander Thursday evening, with all members present.

The first order of business was the consideration of the By-laws and their adoption.

Axel Carlstrom, of Akeley, was appointed as a member of the State board of directors of the Pennsylvania Farmers' Association. He will serve until the Annual Meeting next October when the position will be filled for the regular term of two years by a vote of the county membership.

Carlstrom and Leslie Dodd of Corry are now participating in the State Annual meeting at Harrisburg where the state policy of the organization will be determined by the voting delegates from counties throughout the commonwealth.

Resolutions applying to national and international issues will be forwarded to the Annual Meeting of the American Farm Bureau Federation for consideration by the voting delegates of all the states throughout the union.

All policies developed on local, state, and national levels stem from the grass roots thinking of farm families in thousands of meetings held throughout the nation.

Board members present in addition to Carlstrom and Dodd were: Ralph Way, Russell; Arvid Gruber, Akeley; Harry Bergstrom, Sugar Grove; Virgil Williams, Akeley; and Howard VanTassel, Corry.

Cross Is Burned Outside Jamestown

An oldstyle Ku Klux Klan prank was in evidence last night as a large cross burned just outside Jamestown on Route 17-J toward Lakewood.

The cross, constructed of two by fours, had a gasoline soaked blanket wrapped around it to help with the fire which caused considerable attention as it flamed from a prominent hilltop into a clear, moonlit night.

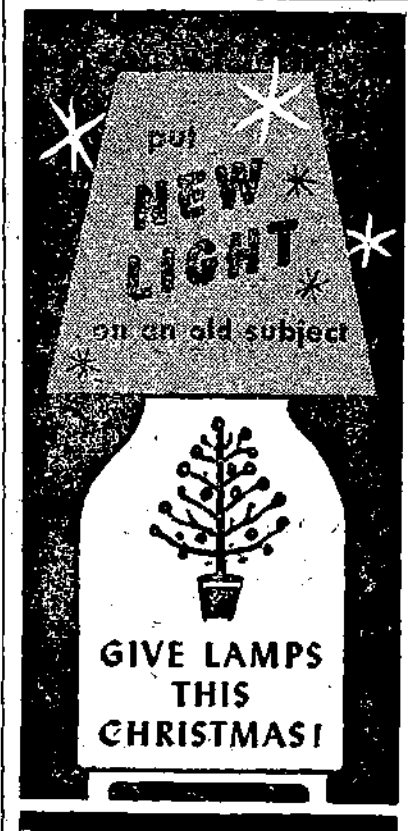

The site was immediately adjacent to the new shopping blaze being erected on 17-J. Two carloads of persons were seen driving away from the location just before the cross was noted.

Investigating officer, Elmer Widlund, Town of Ellicott, said the cross burning may signal a reappearance of Ku Klux Klan activity which flourished in the area during the 1930's. The school desegregation issue has brought about a resurgence of Klan activity in the South.

WE FACE A CHALLENGE

All too frequently, today's teen-agers are referred to by the minority as delinquents, bird-brains, and other derogatory designations, with little thought given to the fact that they are living and growing up in trying times, a period that is just as confusing to the adult world.

From the vantage point of our editorial desk, however, we find frequent evidence that these young people are giving serious thought to the problems of their own age and the world around them. This is particularly emphasized in the following paragraphs which appeared in the Thanksgiving issue of The Dragonette in conjunction with Student Day, contribution of Student Council to American Education Week. Captioned "We Face a Challenge", the main editorial in the issue reads as follows:

Soon we, the students of Warren High School, will be on the threshold of a new and as yet unknown phase of our lives—the adult world.

It is not an easy task we are facing. Because of the increasing sensationalism caused by a few untypical teen-agers, we are on the defensive. How many of you can recall reading a front-page story about an outstanding student receiving an achievement award or being chosen to lead his class? These stories, which concern the majority of us teen-agers, are usually buried at the bottom of a page covered with advertisements.

Yet we will soon be taking over our government, accepting important positions in the business world, and rearing the adults of tomorrow. The continuation of our democracy will be dependent upon the thousands of students graduating from schools all over the country, within the next few years.

It will be our duty to keep America strong. Some of us will be raising food to feed the multitudes; others will cure the ill and the weary; some will stand in the courts of our land to defend the innocent and convict the guilty; a great number will educate our children and give them the knowledge to stand up for what they believe is right.

We feel we are ready for the responsibilities that will be entrusted to us. Tomorrow on Student Day we will be given our chance to verify this statement. If we do well, we will be proving that we are capable and mature, and that we possess the leadership qualities needed in a true democracy. We realize we have a world of learning ahead of us, yet what better time is there to begin than while we are in high school.

We mean to show our leadership, not only on Student Day, but rather to set an example for each day in our lives. With the cooperation of everyone in the high school, tomorrow will be our day to show that we deserve the respect due to the leaders and citizens of tomorrow!

EISENHOWER SCHOOL DEDICATION

An announcement of major interest to every resident of the county, carried elsewhere in this issue, states that the dedication program for the handsome new Dwight D. Eisenhower School near Lander will be held during the week of April 13, 1957. However, several special events in the meantime will provide interested residents an opportunity to inspect the new building. The first of these will be the High School PTA meeting in the auditorium December 10th. It is also worthy of special mention that Northern Area basketball games will serve as an opportunity for patrons to tour the premises.

Needless to remind that the public is cordially invited to attend the Union Thanksgiving service to be held Wednesday evening at 7:30 o'clock at Grace Methodist church on the east side. The Rev. Donald H. Spencer, new minister of the First Presbyterian church, will be the speaker.

THOUGHTS FOR TODAY

And the Lord saith, Because they have forsaken my law which I set before them, and have not obeyed my voice, neither walked therein.—Jeremiah 9:13.

The whole sum and substance of human history may be reduced to this maxim: that when man departs from the divine means of reaching the divine end, he suffers harm and loss.—Theodore Parker

"But I'M Supposed to Be the Policeman"

Here and There

It usually comes as a surprise to some readers to be reminded that it was November 19, 1863, that President Abraham Lincoln delivered his historic Gettysburg address, often called the peak of American eloquence, at the dedication of the military cemetery there. Since today is the 93rd anniversary of that occasion it seems this is a good time to revive it for present-day readers. It is recalled the battle had been fought July 1-3, 1863, Lincoln was preceded by Edward Everett, former president of Harvard, secretary of state and senator from Massachusetts, then 69 years of age and one of the nation's greatest orators. Everett gave a full resume of the battle Lincoln's speech was so short that the photographer did not get his camera adjusted in time to get a picture. The report that the newspaper had ignored Lincoln's address, according to some historians, is not entirely correct. Everett's address swamped their columns, but the greatness of Lincoln's speech was immediately

recognized, as is indicated by the fact that Everett wrote him: "I should be glad if I could flatter myself that I came as near the central idea of the occasion in two hours as you did in two minutes." It is said there are five copies of the Gettysburg address in Lincoln's handwriting in existence at the present time. The first and second draft, prepared in Washington and Gettysburg just before delivery, are in the Library of Congress; the second draft, written at the request of Everett to be sold at a fair in New York for the benefit of soldiers, was given the Illinois State Historical Library by popular subscription. The fourth copy is owned by Mrs. Nicholas H. Noyes, Indianapolis, Ind., and is expected to go to Dartmouth College. The fifth copy, the clearest and best, was written by Lincoln for George Bancroft to be reproduced in a volume to be sold for the benefit of soldiers and sailors in Baltimore. It passed to Bancroft's stepchildren, named Bliss, and was sold for \$54,000 by the

estate of Dr. William J. A. Bliss in New York, April 27, 1949, to Oscar B. Cintas, former Cuban ambassador to the United States. The official version follows:

"Four score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal.

"Now we are engaged in a great civil war, testing whether that nation or any nation so conceived and so dedicated can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field, as a final resting-place of those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

"But, in a large sense, we cannot dedicate—we cannot consecrate—we cannot hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember, what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advocated. It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion—that we here highly resolve that these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth."

North Warren Students Giving Musicales Tuesday

At 8:00 p. m. Tuesday in North Warren community house, boys and girls of grades three, four and five of the North Warren School will entertain parents and friends for a special musical event.

First item on the program will be the pupils of Grade four who will play four numbers on their tonettes. Following the tonette group, third graders will play several numbers on musical bells.

The fifth grade will present an operetta, "The Inn of the Golden Cheese" by Alta Hiverson Seymour and Helen Wing. Scene of the operetta is the kitchen of an inn in southern Pennsylvania in the year 1700.

At the Inn of the Golden Cheese, important guests are expected—William Penn and his party. Mas-

ter Austin, owner of the inn, is a fur trader, and in his absence Mistress Austin is in charge of the inn.

She has gone away today to buy supplies for the entertainment of the important guests, but she and her husband are expected back that evening. The children and the grandmother have been left in charge, and Peggy, the oldest girl, has enlisted the aid of the neighboring children in getting the inn in shining order for the expected guests.

The ensuing action of the operetta deals with the arrival of unfriendly Indians who believe that William Penn and his party are coming to take away their hunting grounds. However, the kindness of the children in helping a little lost Indian girl brings a pleasant and surprising finale.

Reservations Deadline For Bridge Tournament

Announcement is received from Jamestown that noontime Friday, November 30, is the deadline set for registrations for the Inter-City Team of Four tournament to be played in two sessions in the Viking Lodge of that city on December 2.

This annual event was inaugurated several years ago by Warren, Erie, Corry, and Jamestown, each participant donating for a trophy awarded the winning team each year and held for a one-year period.

This year's play at the Viking Lodge, 318 Washington street, will begin at 1:00 p. m., with a full course dinner served between sessions. Cost for the day's events will be awarded each of the players on the winning team, provided there are 12 teams participating. Second place will receive three Master Points, etc.

Definite reservations are required and any person making a reservation and unable to attend must send a substitute or pay the entry fee. Reservations may be made with any of the following committee members: R. H. Larsen, Mrs. Glenn Jones, Mrs. Conrad H. Nelson, Louis Wallace or E. J. Rupp.

SENECA PTA MEETING

The monthly business meeting of Seneca PTA was conducted by Mrs. Frederick Arnold, president, with minutes read by Mrs. Edward Knupp, acting secretary; financial report by Mrs. Vance Ross and Mrs. Knupp that there will be no Brownie meeting this week; and report by Miss Bell that she and Mrs. Gary are serving hot cocoa to school patrol members on cold mornings. The attendance award was tied between the two rooms for the third consecutive time.

Mrs. B. J. Messerly introduced James Hill, whose topic was "Art in Public Schools". Mr. Hill explained how creative expression through art helps to develop a child's imagination and initiative; and stressed that it is important to appreciate children's efforts, and praise them as they develop on detail.

Following this interesting discussion, refreshments were served by Mrs. Robert Johnson and her committee, Mrs. Henry Dahl, Mrs. Eugene Simmons, Mrs. Paul Sundheimer and Mrs. Bill Dyke.

"enjoy yourself on Holidays"

**let ELECTRICITY
do the work...**

Modern mothers in modern electric kitchens have it far easier when it comes to preparing and serving a holiday dinner.

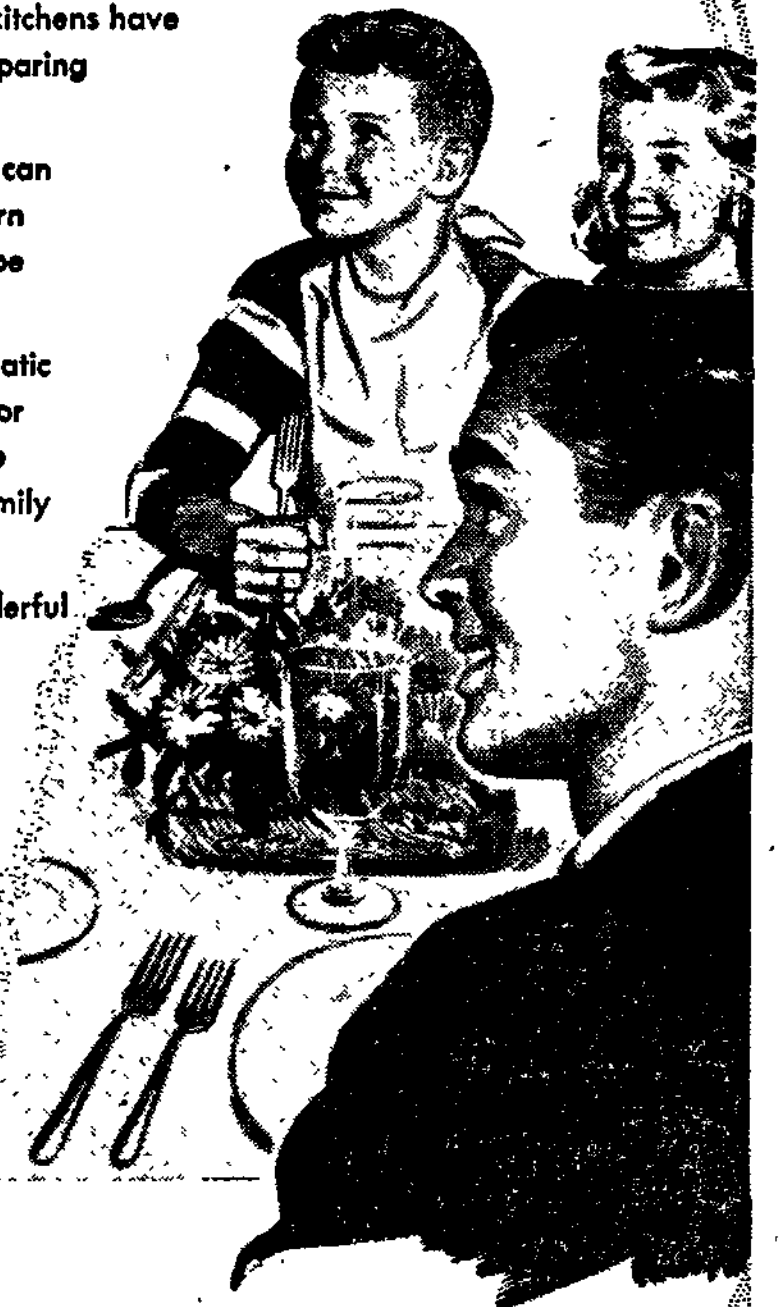

Things like desserts, cakes, cookies, soups can be prepared and stored days ahead in a modern electric freezer. The traditional turkey can be stuffed, frozen and stored.

Then, when the time comes, an automatic electric range takes over. Put the turkey or roast in the oven, set the dials and you're free to spend the morning with the family and friends.

And when dinner's over there's that wonderful automatic electric dishwasher patiently waiting to do the hardest job of all.

In no time at all you're out of the kitchen and free to enjoy the day.

when you live electrically*

Mr. and Mrs. Charles Hartzel, and daughter, Phyllis, of Pittsburgh, made a "flying visit" to the home of Mr. and Mrs. Phillip Mong, 57 Hemlock street, Sunday afternoon, in one of the two twin-engine planes, a Navion, Mr. Hartzel uses in his business. Arriving over Warren, they "buzzed" the Mong home as a signal they were landing at the airport. They were picked up there and, after spending several hours visiting the local family, returned to their airport base, the Butler-Graham field near Pittsburgh.

A truly outstanding musical event drew hundreds of persons to Southwestern Central School auditorium in Lakewood Saturday evening, when more than 400 students of 24 communities in New York state participated in the sectional All-State Music Festival program. Taking part were a chorus of 225 voices, a 125-piece band, and 90-piece orchestra.

Mr. and Mrs. Edward Walker and the former's mother, Mrs. Burr Walker have arrived home after a month's trip spent in England, Switzerland and France.

Another group of nine women has completed the preliminary preparation which qualify individuals for participation in the Volunteer Service program at Warren State Hospital. Offering two to six hours a week of her time, each is now prepared to render many phases of personal service to patients.

Their course of training, including 12 hours of classroom work conducted by members of the medical, nursing, social service staffs and other hospital personnel, was started November 7, with a welcome by Dr. C. Urbaitis, assistant superintendent, and a lecture by him on "New Horizons in Psychiatry".

Following lunch, members heard a talk on "Hospital Etiquette and Ethics", by Mrs. Kathleen Mahaffey, RN, instructor for the attending training program; also an explanation of Organization, Administration and Functions of the Hospital, by Nelson A. Johnson, director of social service.

The second session November 14 included an expression of appreciation from Miss Harriet Morgan, director of nurses; an outline of the occupational therapy program by Miss Olive Bostrom, director of occupational therapy, and a visit to the OT Shops.

In the afternoon, Mrs. Edith Keller, RN, instructor of the psychiatric technicians' program, spoke to the group on "Importance of Attitudes and Meeting the Emotional Needs of the Patient".

The second lecture had to do with the Volunteer Service Program, presented by Mrs. Mary Helen Johnson, and included explanation of the organization, function, and objectives of this coordination of Volunteer activities; description of the various Volunteer assignments; and a tour of the hospital grounds.

Previous classes of Volunteers have already rendered thousands of hours of service to the hospital's patients and have now become an integral part of the institution's work.

Women of Warren and vicinity have arranged parties, entertainment, and many personal services which have done much to make the patients feel the community is interested in them and in their welfare.

Shirley Family Has Need of a Temporary Home

The 11 members of the burned out Shirley family are now eating in shifts and sleeping on the floor. As may be assumed from the above statement the most pressing need of the family is a place to live while they rebuild on the foundations of their completely destroyed home on Fifth Avenue Extension.

Four children, a mother and grandmother barely escaped with their lives midmorning Wednesday as flames consumed the building. They were taken in by a sister and brother-in-law, Mr. and Mrs. Francis DuFrene at Akeley.

But the DuFrenes have five children of their own and that makes a total of 18 persons in a single home. The Shirley's did have their eye on a residence to rent but it turned out some other family had already acquired it.

The many contributions have brought tears of joy to the family. Enough clothing and household items have already been forthcoming from generous friends of the Shirley's. One South Side family, on the move to Arizona, invited the Shirley's to come over and have their pick of toys which included an electric train, numerous dolls.

Cash contributions of \$5 and \$1 have been sent the Times-Mirror, one from a shut-in. Ladies of the Glade Township Auxiliary have been sponsoring the campaign to help the family.

Wild Chase Ends In Arrest on Friday

A 25-year-old county man has paid \$1 for each of his 90-mile-per-hour chase Friday evening.

Robert Kirk, 25, of Route 2, Jamestown Road, who led James-town police on a wild chase six weeks ago which ended with his capture in Frewsburg—gave a repeat performance in Friday night's episode which started just outside Warren Borough limits.

The chase began about 8 p. m. Friday just after Kirk reportedly ad-swiped another car operated by an off-duty Pennsylvania State Trooper. It ended 45 minutes later when officers nabbed Kirk as he attempted to elude them in woods near cabin when he abandoned his 1956 model car.

Conewango Township Officer was on Kirk's tail during the entire 25-mile high-speed chase which ended on the Onoville-Ivory Road. Radio communication quickly brought other police agencies into the act in attempts to run down the driver.

A charge of leaving the scene of the accident will be preferred against Kirk.

Let's Explain to Children What It Is We Laugh At

BY MRS. MURIEL LAWRENCE

BECAUSE Pammy is four years old, her awareness of birthdays is as intense as it is new. When she heard that one was due for her father, she became so excited that she was allowed to help make his cake on the big day. She turned the flour mill, put eggshells in the garbage pail, sprinkled shredded coconut on the cake's mocha'ing. Somewhere along the way, her mother, supervising Pammy's activities, mentioned the cake's "ingredients."

Later at dinner as her father lifted the knife over his beautiful birthday cake, Pammy said with the air of someone conveying momentous news, "That cake is made with the very best ingredients. Mommy said so."

Her Aunt Chris began to laugh. "What's that you just said, Pammy? What's your father's cake made with?" she demanded. Then, straightening her face, she asked with pretended solemnity, "It is made with the very best what, dear? Tell us again..."

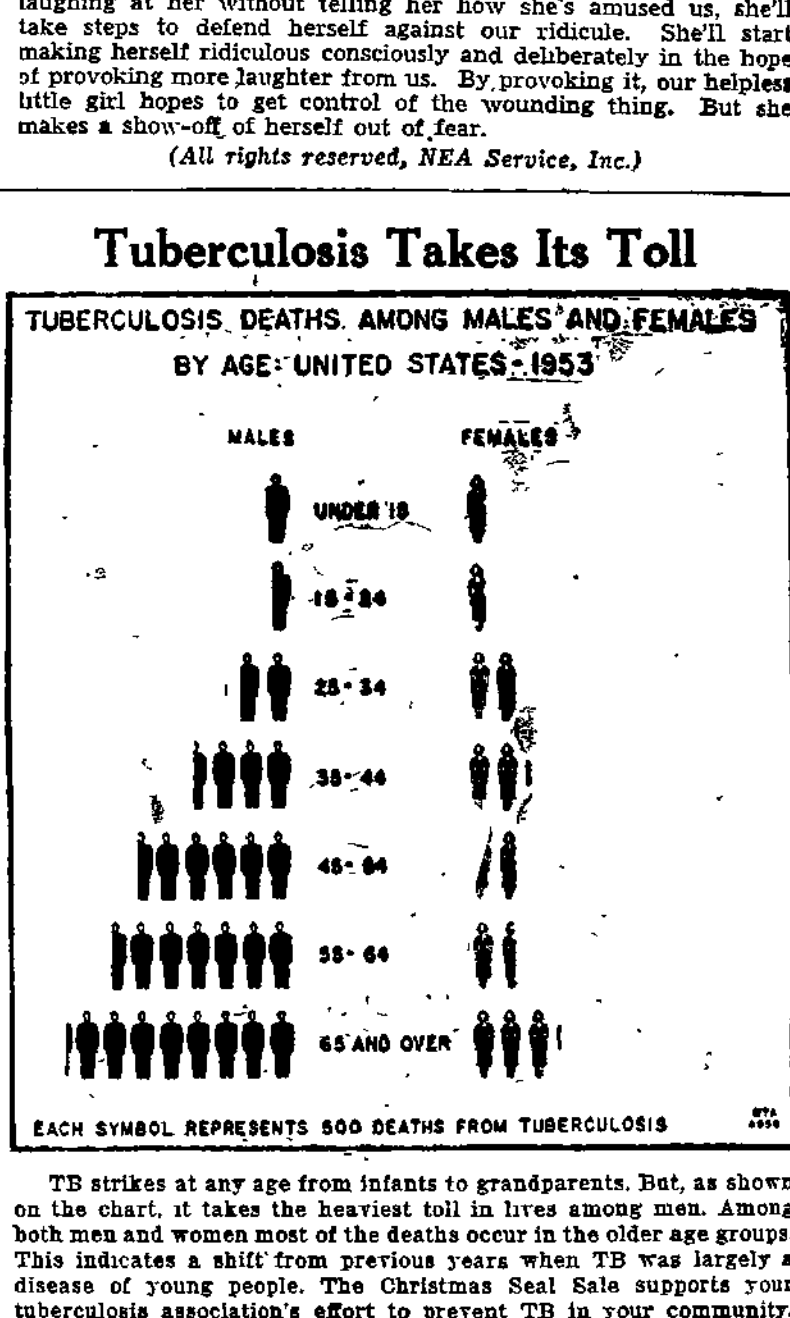

PAMMY's father interrupted his sister to speak directly to his little girl. "You said a word wrong," he told her. "It's ingredients that make cakes, sweetie, not ingredients. We never heard the way you said it before, and it sounded new and funny. That's why we are all laughing."

On Pammy's face, the look of helpless bewilderment gave way to a look of pleasure. And she was relieved to know that it was a wrongly said word that had amused Aunt Chris, not something bad or ugly about her that nobody wanted to mention.

LITTLE children often say things we find amusing. As this is the fact, it's honest not to try and hide our amusement. But if we're going to laugh at them, let's remember to explain what it is we find so funny. Otherwise our laughter becomes ridicule.

As such, it threatens Pammy's self-respect. If we keep on laughing at her without telling her how she's amused us, she'll take steps to defend herself against our ridicule. She'll start making herself ridiculous consciously and deliberately in the hope of provoking more laughter from us. By provoking it, our helpless little girl hopes to get control of the wounding thing. But she makes a show-off of herself out of fear.

Ranks of Contenders for Bowl Games Expanding Fast

Still Some Selections To Be Made Before the Season Ends; Iowa-Oregon Go to Pasadena

By ED WILKS
The Associated Press

Instead of thinning out, as they should at this late stage of the college football season, the ranks of contenders for the major post-season bowl games swelled a bit over the weekend.

The only definite bowlers, at the moment, are Colorado, headed for the Orange Bowl; Iowa and Oregon State, tagged for the Rose Bowl; and Tennessee, apparently able to pick either the Cotton or Sugar Bowl.

And you probably can put Georgia Tech in that class too since a sixth consecutive bid seems assured for the Wrecks, beaten only by Tennessee 6-0. A Tech-Vol rematch in the Sugar Bowl would be a dandy.

But beyond those five, the picture is as confused as SMU's Harke Arnold was Saturday, he threw a "perfect" pass to an Arkansas player standing alone on the goal line.

Clemson was figured a sure bet to be the Atlantic Coast Conference's entry in the Orange Bowl against Colorado. But with Clemson's 21-0 thumping by Miami Fla., the team that's bowl-manned by the NCAA, South Carolina and Duke have popped into the picture as possible being the ACC's "most representative team."

Clemson (5-1 with two ties) plays Virginia Saturday and Furman Dec. 1.

South Carolina (6-3 finishes) against Wake Forest Thursday, Duke (4-4 with one tie) against North Carolina Saturday. South Carolina beat Maryland 13-0 Saturday. Duke beat Wake Forest 16-0.

Texas Christian, Southern Methodist and Baylor are in on the scrap for the host spot in the Cotton Bowl. The Southwest Conference champ usually gets that berth

but the front-runner, Texas A&M, is in bad with the NCAA. That leaves it to the runner-up, TCU, has lost only once in the conference to A&M and plays Rice this week, SMU the next SMU and Baylor already have dropped two in the conference and battle to stay alive in a showdown this weekend.

The Gator Bowl usually accorded the "leftovers" apparently has a good crop of contenders to choose from. In the East alone there's Pitt, which beat Army 20-7, Syracuse; and perhaps Penn State and Navy. Also under consideration are unbeaten Wyoming, the Skyline champ, and the Southwest's third-place team.

Harold Carter Fast Moving Toward a Championship Bout

By JACK HAND

New York (AP)—If Harold Carter keeps on winning, they may have to revise his schedule that calls for a heavyweight title bout by 1958.

"We're in no hurry," said Gene Holmes, manager of the Linden, N. J., boxer after Friday night's unanimous decision over Young Jack Johnson. "Harold needs more experience. He's had only 25 fights and he's winning despite his mistakes." Carter has a 21-2-2 record.

Holmes said Carter, found Johnson, a sub, tougher than he figured "Harold was all ready mentally for Baker" said Holmes. "He would have handled him easier."

Baker, once the top ranking heavyweight challenger, had to pull out Monday because of a heavy cold. The International Boxing Club now hopes to re-schedule Carter-Baker for Madison Square Garden, Dec. 21. The match is uncertain pending a recheck of Baker's health and the right eye cut Carter received Friday night.

Johnson, whose real name is John Lee Storey, was exhausted after the Garden fight. He stretched out on a bench in his dressing room to take a few snits from an oxygen tank under the supervision of Dr. Vincent Nardiello of the New York State Athletic Commission.

HAVE 75'-LENGTHS OF HEAVY WRAPPING TWINE REELED ONTO CANS. TIE A CORD TO A DECOY, ADDING A HEAVY SINKER TO ACT AS ANCHOR (A) SUITING WATER'S DEPTH. COIL THE REST OF CORD FROM HAND (B) SO IT CAN PLAY OUT FREELY WHEN YOU HEAVE DECOY TO DESIRED SPOT. HOLD LINE'S END DURING THROW, THEN TIE IT TO BRUSH, ETCETERA.

Annual Bear Season In Pennsylvania To Open November 26

Pennsylvania's big game hunting season begins in earnest November 26th with the opening of the annual bear season.

The week-long bear season is expected to attract thousands of hunters into the state's mountains. It's the first short season since 1953.

In last year's two-week season the bear kill was 363 legal animals.

Shortly after the close of the season, December 1st, the annual deer hunting season begins, December 3rd to December 15th.

Already this year there has been a special bow and arrow deer hunting season, October 1st to October 19th.

Last year Pennsylvania hunters killed more than 45,000 antlered deer — a boost of more than 4,000 over the previous season.

In the small game season, which opened October 27th and ends November 24th, the commission has received reports of 10 hunter gun-shot fatalities and 294 gun-shot woundings.

Bobby Layne Holds Spotlight for Nat'l League 'Glory Boy'

By JIM KENSIL
The Associated Press

Pro football has apparently found a successor to Otto Graham, but he won't do Cleveland Coach Paul Brown a yard of good. He plays for the Detroit Lions.

For almost a decade, Graham, the fabulous quarterback of the Browns, was the game's glory boy, a role which falls traditionally to the leading quarterback. Only twice in the last nine years did Graham fail to win All-Pro honors—in 1950 when the Chicago Bears' Johnny Lujack, now retired, picked up the marbles and in 1952 when Bobby Layne of the Detroit Lions was honored.

And now it's Layne again who has emerged as the top headliner in the National Football League. He's sparked the Lions, Western Division tallenders in 1955, all season and yesterday he again played the major role as the Lions whipped Baltimore 27-3 in the Motor City. The win kept the Lions 7-1 tied for the division lead with the Chicago Bears, who won their seventh straight, 30-21 over the visiting Los Angeles Rams.

Late-starting Washington continued to cause trouble in the East. Ted Redskins, who lost their first three games, have now won four in a row, the latest a smashing 33-7 against the New York Giants, division pacesetters, yesterday at Washington. The Giants 6-2 managed to hold the whole top rung only because the Chicago Cards (5-3) lost in Pittsburgh 14-7 to the Steelers.

The Browns, who have been floundering all season—their first without the great Graham—stopped the host Philadelphia Eagles 16-0 to move into a three-way tie for fourth in the East. The Eagles, Browns and Steelers are all 3-5.

A sporting proposition from BLUE SUNOCO

There are some people who say "all gasolines are alike." And others believe that to get maximum mileage you have to pay a premium price.

This simply is not true according to gasoline mileage tests recently conducted by the American Automobile Association with a large group of leading premium gasolines including Blue Sunoco.

These tests proved Blue Sunoco averaged 7.67 more miles per dollar than the 12 other leading premiums tested.

If you are not already enjoying the benefits of Blue Sunoco as proved in these AAA tests, we ask you to do this: give Blue Sunoco a sporting chance to prove itself in YOUR OWN CAR.

Stop at your local Sunoco station. Fill your car's tank with premium quality Blue Sunoco at regular gas price...keep track of the money you spend and the mileage you get.

You, too, will discover that Blue Sunoco is the BIG MILES-PER-DOLLAR PREMIUM!

AAA Road Tests prove:
Blue Sunoco averages 7.67
more miles per dollar than
12 other premiums tested

Middle District Producers Meeting In Oil City Tonight

The speaker at the fall meeting of the Middle District Producers' Association in the YMCA at Oil City this evening will be Earl H. Lynn exploration geologist for the Benedum Interests of Pittsburgh.

Mr. Lynn will speak following a dutch treat dinner at 6:30 P. M. His topic will be "Recent Exploration in Northwestern Pennsylvania." The talk will be followed by a discussion period.

The Oriskany sandstone has produced gas in many places in western Pennsylvania, but very little drilling has been done below this prolific gas producer. Mr. Lynn's talk will be concerned with the possible oil and gas horizons below the Oriskany sandstone. His talk will be based on a recent article he authorized, which was published in the Oil and Gas Journal and the date obtained from the McKnight well recently completed by his company in Mercer County at a depth of 8210 feet in formations below the Gatesburg. One other well was completed in the Erie area this year to approximately the same horizon and three other wells in northwestern Pennsylvania are currently being drilled to the Gatesburg. These wells have created a great deal of interest in the deeper horizons and interested companies have been rapidly leasing the oil and gas rights in this area of deep exploration. Interest was recently heightened when a gas show in the Lockport dolomite in Benedum's second wildcat was fractured to see if the formation would produce commercially. Mr. Lynn's talk will be illustrated with slides.

The dinner was originally scheduled for the Club House in Oil City, but has now been changed to the Oil City Y. M. C. A.

Student Groups Are Again Invited To Hear Marine Band

Cleveland, Ohio.—Students groups are again invited to hear the world famous United States Marine Corps Band during school trips to Washington, D. C., it was announced today by Colonel T. S. Ivey, Director, Fourth Marine Corps Reserve and Recruitment District.

Since the program was initiated in early 1954, thousands of students from more than 100 schools have been entertained by the Band while visiting Washington.

In addition to colorful Formal Guard Mounts at the Marine Corps Memorial every Tuesday afternoon the Band participates in Winter Concerts each Thursday from Nov. 29 to 7 March, 1957 in the Department of Commerce Auditorium. Tuesdays through Friday from December 1956 through August 1957, student groups may visit the Band in rehearsal at the Marine Barracks, 8th and Eye Sts., S. E.

If a school is interested in attending rehearsals, arrangements should be coordinated with either a recruiting officer or commanding officer of any Marine Corps Reserve unit. Information concerning the number of students planning to attend, name of person in charge and name of hotel or motel at which the group will be staying, must be furnished.

As an added feature of rehearsals, the Band will, where possible, play any selections, band or orchestral, with which the students are working in their band or music appreciation studies.
